

The Pacific Secretariat of BirdLife International is seeking an enthusiastic and experienced fundraiser. The role of 'Regional Programme Development Manager' principally supports the development of conservation programmes and funding in accordance with the Pacific Regional Fundraising Strategy, and contributes to communications, policy, and volunteer coordination for the region. Based in Suva, Fiji the candidate will work with the 7 Pacific Partners of BirdLife International and operate as part of a wider international team supporting the delivery of environmental conservation action. A challenging and rewarding role the position will suit an energetic and dynamic individual with relevant qualifications and experience in institutional, individual and corporate fundraising. Further information and application details are available at <http://www.birdlife.org/jobs/jobs/2010/Reg-Prog-Dev-manager-pacific.html> . Or contact:
